InfoMentis Named to Training Industry, Inc.'s 2010 Top Sales Methodology Training Companies List

ATLANTA, GEORGIA - March 25, 2010 - InfoMentis, Inc., a global consulting and performance improvement company has been named to Training Industry Inc.'s 2010 Top Sales Methodology Training Companies.

The Top 20 list recognizes leaders in the training industry that have demonstrated experience and excellence in providing sales methodology training services to a variety of clients. It recognizes the leading Sales Training companies for their high quality of services, comprehensive capabilities and successful and proven training deployments.

Selection to this year's "Top 20 Sales Methodology Training Companies" was based on the following criteria industry recognition and innovation, quality of sales methodology and impact on clients, breadth of company's offering (products and services), strength of clients, company size and growth potential, geographic reach and experience in the marketplace.

"InfoMentis is pleased to be included as part of Training Industry, Inc.'s list of top 20 sales training methodology companies for the third consecutive year. InfoMentis' market differentiation stems from a clear concise strategy based on innovation—allowing us to deliver solutions which enable our clients to assess the competitive barriers before them, determine their weaknesses and ultimately leverage those weaknesses to overcome challenges and achieve desired goals and objectives;" said Steve Maul, Chief Learning and Strategy Officer, InfoMentis, Inc.

About InfoMentis

InfoMentis is a global consulting and performance improvement company providing configurable programs that help our clients enable cultural change. We teach our clients how to more effectively attract and retain their customers and help them achieve bottom line results. Our configurable courseware, e-Learning modules, web-based and on-premise instructor led training, consulting services and collaborative productivity tools are designed to be adapted for role-based behavioral change for anyone in marketing, sales, services, support and management that have contact with their customers and prospects throughout the entire customer lifecycle.
